# Money

We strongly recommend exchange of Euro and U.S. dollars to Norwegian currency (NOK) prior to departure – or at Norway’s international airport, Gardermoen.

On arrival in Tromsø there will be limited opportunities for currency exchange. The only place that to exchange foreign currency to NOK in Tromsø is the main post office (Posten). Please note that the post office only accepts Euro and U.S. dollars.

# Climate

In spite of its location so far north, Tromsø enjoys a moderate oceanic climate. From May 20 to July 22, the city is graced by the Midnight Sun and daylight around the clock. It then gets gradually darker every night – but you will still get to experience those bright summer nights in August.

# Arrival at Oslo Airport

A Chess Olympiad crew will welcome and guide you at Oslo Airport Gardermoen. Please remember to pick up your luggage for custom clearance, and check in again for Tromsø (TOS). Our team will show you where to go. They will meet you outside the custom clearance area, so you will find them after you have picked up your luggage.
